1st Annual Summer Village Olympics

With smiles on their faces and determination in their eyes, Summer Village residents geared up for the 1st Annual Family Olympics. There was something for everyone. From tug o' war to water balloon toss, the competitions were fierce. The tug o' war outcome was very surprising. Although you may think Team Whispering Pines had it in the bag, Team

Big Rock took it home. The Family Scavenger Hunt was also a blast. Congratulations to the Ravins Family who finished #1! The Triathlon also proved to be quite the athletic endeavor. A bike ride leading into a swim topped off by a run, wow! Congratulations to Len Bruskiwitz, Steve Mullins, and Jenny Mullins for doing a great job! Thank you to all who came and participated. It

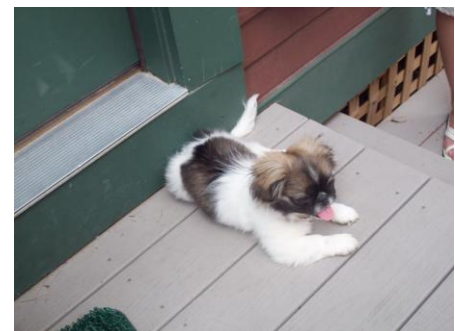

truly was a spectacular Fourth of July weekend!

Whispering Pines Welcomes New Resident!

There has been a recent addition to the friendship cottage at 6 and 8 Whispering Pines Road. Young Isabella is an energetic girl with medium length curly hair and spots all over. Oh, you didn't know, Isabella is a puppy! Isabella is a black, brown, and white Pekinese puppy with a curly, wagging tail. She is still very young and small with soft fur. Your heart will melt when you see her floppy ears and big brown eyes. Since Isabella is such a girly girl, she wears a pink collar with black paw prints on it. Isabella loves attention, which is obvious in her love of cameras. Because she is so young, she likes to chew on things such as pens and string.

Isabella is not alone in her endeavors though. She hangs out with her brother, Brady, and her cousin, Molly, on a regular basis. Welcome to Summer Village, Isabella! We hope you enjoy your new home!

A Day in the Life of a Lifeguard

Baywatch glamorized the job, but everyday real lifeguards are saving lives at water spots near you. Right here at Summer Village we have many lifeguards who watch over the pond every single day. We sent our street team out to ask them some questions about wearing the red suit.

Street Team: How long have you been a lifeguard?

Tommy: Six years.

ST: What is the worst thing about being a lifeguard?

Kaitlyn: Sitting in the sun all day.

ST: Which is better, pool or lake?

Tommy: The lake.

ST: What does a guard tube do?

Kaitlyn: Helps saves lives

when people are in danger.

Thank you Street Team for getting the 411 on the job of a lifeguard!

Thank you lifeguards for watching over the residents day in and day out!

*"I'm always at Summer Village because I love it so much here."
-Jenny Mullins, 12*
