A Bottle of Red, A Bottle of White...

It was a picture perfect night to enjoy the outdoors, and Summer Village adult residents had just the place to spend it. On July 12th, residents were welcomed to a wine tasting seminar held by the Traveling Vineyard. Summer Village resident, Loraine Doiron, was the night's hostess at the Adult Pool. Guests had a variety of six different wines to taste and enjoy. We had some familiar

faces pouring the wine; Summer Village employees Danielle Dean and Adrian Martins served as the bartenders for the night. Another nice treat was the band, Old Men Playing Chess, who added to the atmosphere of the evening. Jen Bruskiwitz enjoyed the Shiraz wine the best and thought the whole evening was great! Several residents said it gave them a perfect opportunity

to meet more neighbors and mingle amongst each other. It's great to see so many residents participating in events!

Hitting the High Notes

Whether it's in the shower or driving in the car, we can all admit to singing our favorite songs at the top of our lungs...in private. Yes, singing in public can be a little nerve wracking, but it is also a blast! No, we aren't all Mariah or Frank, but we know the words and can pretend. Karaoke is one of the few opportunities where you can let go of your inhibitions without going over the edge. Here at Summer Village we have amazing equipment and seven CD's full of songs from Madonna to Miley. Wireless microphones also bring another dimension to your musical act because you can move around and dance to the beat. We have several opportunities for you to show off your

skills throughout the summer. Whether it's at family karaoke or kids karaoke, practice your favorite song until it's perfect!

The Chronicle's Coming, the Chronicle's Coming!

Tuesday, July 29th on Tuesday, July 29th to Summer Village will get fifteen more minutes of fame. Channel 5's longtime news program, The Chronicle, is coming here to highlight the Old Fashioned Summer feeling that Summer Village offers to its residents. Be sure to get camera ready and put your best foot forward! We are planning a fun-filled day, aren't they all though, for residents to enjoy. Hopefully you can be here for the day

Oh Yes It's Ladies Night, Oh What a Night...

The Sales and Marketing teams of Summer Village at the Pond would like to offer you and your friends an evening of fun and conversation. You have all been so gracious in telling your friends, family and co-workers about us that we wanted you all to have the opportunity to invite your own guests to come visit with you at the Village. What better way

to enjoy an evening here at Summer Village than with a party! The best news is -- we'll be the hostess and provide wine, cheese and other savory treats... all you have to do is invite your guests who have not yet seen our cottages and community, we'll do the rest.

Thursday, July 31st from 6:00pm to 8:00pm at our cottage models.

Please rsvp no later than July 27th on the Backfence.
